NRMERA 2025 SPONSOR OPPORTUNITIES

The Annual Conference of the **Northern Rocky Mountain Educational Research Association** (NRMERA) will be held in Salt Lake City, Utah, from October 1-3, 2025. NRMERA is the regional affiliate of the American Educational Research Association (AERA). NRMERA strives to provide a setting where one can present research, receive feedback, and connect with colleagues from throughout the mountain west and beyond. We welcome research from professionals and students.

The annual conference is a great place for you to advertise your institution, organization, or business! We encourage you to do so by helping to sponsor the annual conference.

Why sponsor the annual conference:

- *Opportunity to connect with leaders in the field*. With an average of about 100 attendees, NRMERA is the field's best place to be heard and seen in this region.
- *Showcase your institution, organization or business at the conference*. The conference provides high-quality opportunities for attendees to learn, connect, and share their research, and get to know you.
- *Demonstrate your leadership*. Share your work with attendees, including the programs and/or products you offer.

We offer four levels of sponsorship: platinum, gold, silver, and bronze.
